

AGENDA**October 24:**

- 10:00 – 10:15** Registration
- 10:15 – 10:30** Welcome and opening session (*M. Wootton, M. Uttieri*)
- 10:30 – 11:00** *Tour du propriétaire* of the School of Biology of the Aristotle University of Thessaloniki (*E. Michaloudi*)

Session topic: ToR a – Compile and analyse data on the geographical distribution, seasonal patterns and interannual variations of *Pseudodiaptomus marinus* in European waters) [Chair – ToR leader: A. L. Primo]

- 11:00 – 11:20** Updates on ToR activities (*A. L. Primo*)
- 11:20 – 11:40** First data on the nycthemeral cycle of *Pseudodiaptomus marinus* in the Gulf of Trieste (*V. Tirelli, E. Becker, Alessandra de Olazabal, A. Goruppi*)
- 11:40 – 12:00** The Marine Strategy Framework Directive contribution to the mapping of the non-indigenous copepod *Pseudodiaptomus marinus* in Italian waters (*Stefano Corona, Erika Becker, Ylenia Carotenuto, Alessandra de Olazabal, Iole Di Capua, Alenka Goruppi, Valentina Tirelli, Marco Uttieri*)
- 12:00 – 12:20** ALIENA - Aligning efforts to control NIS in the Adriatic Sea (*O. Vidjak*)
- 12:20 – 12:40** European Alien Species Information Network support to the Marine Strategy Framework Directive (*A. C. Cardoso*)
- 12:40 – 13:10** Open Discussion on ToR a activities

13:10 – 15:00 Lunch break

Session topic: ToR b – Identification of key ecological, biological and behavioural traits of *Pseudodiaptomus marinus* [Chair – ToR leader: Y. Carotenuto]

- 15:00 – 15:20** Updates on ToR b activities (*Y. Carotenuto*)
- 15:20 – 15:50** Open Discussion on ToR b activities

15:50 – 16:30 Coffee break

16:30 – 18:00 ToR a: Hands-on session (chaired by A. L. Primo)

20:00 – onward Social dinner

WGEUROBUS 2024 Annual Meeting has been supported by:

WGEUROBUS

Towards a EUROpean OBservatory of the non-indigenous

calanoid copepod *Pseudodiaptomus marinus*

2024 Annual Meeting

Thessaloniki, GR, 24-25 October 2024

October 25:

10:00 – 10:15 Registration

Session topic: ToR c – Molecular identification of *Pseudodiaptomus marinus* occurring in different environments in European waters [Chair – ToR leader: I. Di Capua]

10:15 – 10:35 Updates on ToR c activities (*I. Di Capua*)

10:35 – 10:55 Assessing the molecular diversity of *Pseudodiaptomus marinus*: Insights from Northern Greece (*T. Vlachodimou*, *S. Minoudi*, *P. Kourkoutmani*, *E. Michaloudi*)

10:55 – 11:15 New records of *Pseudodiaptomus marinus* in the Western Mediterranean Sea (*E. Pérez de Rubín*, *L. Yebra*)

11:15 – 11:45 Coffee break

11:45 – 12:15 Open Discussion on ToR c activities

12:15 – 14:00 Lunch break

Session topic: ToR d – Establishing trophic position and interactions of *Pseudodiaptomus marinus* [Chair – ToR leader: T. Guy-Haim]

14:00 – 14:30 Updates on ToR d activities (*T. Guy-Haim*)

14:30 – 15:30 Question time; proposal for future activities; wrap-up and closure of activities.

ZOOM links for online participants:

A ZOOM link will be sent out to allow the remote participation to the meeting.
